Bisalloy Steel Group Ltd announces renewed finance facility

Bisalloy Steel Group Limited (ASX: BIS) (**Bisalloy** or the **Group**) today announced that it has renewed its finance facility with GE Capital from 30 June 2015 through to 30 June 2018.

"We are pleased to extend our relationship with GE Capital who have a proven record in understanding and supporting our business" said Managing Director Robert Terpening. "The working relationship developed with GE Capital over many years allowed for a seamless restructure of the finance facility to a reduced facility limit delivering lower annual costs. While the Group continues to focus on the successful reduction of net debt, this facility provided the flexibility to meet the needs of our current operations and provides ongoing stability in our finance requirements".

Bisalloy is Australia's only manufacturer of high-strength structural, wear-resistant and armour steel plates using quenched and tempered steel. Bisplate® is used in the mining, construction, general fabrication and defence sectors. Bisalloy has an extensive distribution network across Australasia and has operations in Indonesia, Thailand and the People's Republic of China. See the website at www.bisalloy.com.au.
